## WAR NEWS AT A GLANCE

(Continued from page one)

Constantinople reports the operations of Turkish submarines in the Black sea off the Rumanian coast in the sinking of a 3000 ton Rumanian transport and sailing supply ships bound for Constanza with provisions.

Predeal, to the southward of Kronstadt, on the Transylvania front, has been captured by the Austro-Germans, according to Berlin, and the resistance of the Rumanians in the Rothenthurm pass has been broken. Bucharest announces that in an attack along the entire Oltuz region, the Rumanians captured several hundred prisoners and ten guns.

From the Baltic sea to the Carpathian mountains a period of comparative calm has again set in.

On the Austro-Italian front the Austrians and Italians at various points, especially on the Asiago plateau in the Sugana valley in the Plava sector of the middle Isonzo, and on the Carson front, are vigorously bombarding opposing positions.

The Serbs in the Cerna region of the Macedonia front have put down a German-Bulgarian attack and themselves delivered a thrust which was rewarded by the capture of several trenches. In the Doiran sector the British also captured a Teutonic allied trench. Floods are interfering with the operations on the Struma front. Four British and four Norwegian steamers have been sunk by submarines or mines.

Immediately after the ceremony a bridal breakfast was served at the residence of the bride's parents. Those present were Mr. and Mrs. A. E. Carlson, Mr. and Mrs. O. McCraney and Miss Gower, besides the bride and groom and the immediate family. Miss Gower, who was a schoolmate of the bride, rendered a violin wedding march. ## AMUSEMENTS

## BUTLER THEATER

There will be lots of interest and plenty of excitement at the Butler this evening, for a president of the United States is to be elected by a straw ballot. The ballots will be cast during both night shows and the result announced at the end of each show. The balloting will be conducted in a strictly impartial manner, it being gotten up solely for the amusement of the public. A ballot will be given to each adult on entering the theater, and is to be deposited in the box bearing the name of the candidate desired.

The feature picture will be Holbrook Blinn in "The Weakness of Man," adapted from Count Leo N. Tolstoy's last play, "The Living Death," a photoplay which tells vividly to what depths a man can sink when the lust of life and pleasure is ingrained so deep in him that domestic life is a torture, and although not wholly a happy ending motiel picture, it is nevertheless a very gripping and interest-absorbing film play, teaching a great moral. Holbrook Blinn is in the star role, and is supported by such eminent actors as Eleanor Woodruff, Johnnie Hines, and Alma Hanlon. Napoleon and Sally, the educated Chimps, will also appear in a new animal comedy. Tomorrow, a Paramount production with a new star—Frank Losee in "The Evil Thereof."
